# TOPPS PREMIER LEAGUE

OFFICIAL 2010 STICKER COLLECTION

### A GUIDE TO THE STATISTICS

Player Data: All player ages are correct as of November 1st 2009. The player statistics in this album refer to league performances only up until the end of the 2008/09 season, and therefore do not include appearances in cups or any other competitions. Country flags refer to a player's nationality or the international country he represents and may differ from their country of birth. Where a player's career history is marked in gold the player was awarded a Premier League winners' medal for that season. Players must have made no fewer than 10 league appearances for the league winning team in order to have received a winners medal.

### SQUAD ZONE:

Player ages shown in this chart represent the first team squads as of November 1st 2009.

### STATISTICAL ABBREVIATIONS:

### EDITOR'S NOTE:

The final date for compiling this album was November 1, 2009. All reasonable efforts were made to ensure that the data was accurate at that time. Player transfers and manager changes were, of course, beyond our control. If the answer is YES then this fantastic competition is definitely for you.

Topps have teamed up with their friends at Premier League Reading Stars to offer 30 lucky collectors the chance to take part in a special Reading Stars Workshop.

### HOW TO ENTER

To enter this *once in a lifetime* competition, all you have to do is write a match report of a Barclays Premier League game. Your match report can be from a game you have been to or one you have seen on TV.

Your match report must include your own made-up headline and be *no more than 250 words*. All match reports will be judged by a panel of top experts, including Sky Sports pundit, Mick Dennis, and Barclays Premier League legend, Robbie Earle.
